

PROSTATE CANCER EQUITY PROGRAM IN MASSACHUSETTS:

Saving Lives and Delivering High Quality Care for All

Prostate Cancer
Discriminates

Black Men are
2.5 TIMES
more likely to die

EARLY DETECTION SAVES LIVES!

PROSTATE CANCER EQUITY PROGRAM:
READY TO JOIN?

visit www.admetech.org or call 617-523-3535

OUR PROGRAM CAN HELP:

- To find a doctor or a second opinion.
- To organize virtual or in-person medical visit.

HOW: Our staff expedites men's access to leading experts who use the most advanced options in preventing, finding and treating prostate cancer.

- Our goal is to inform, support and empower each man to make choices that are right for him.

WHO CAN PARTICIPATE:

Any man aged 40 and older, who lives in Massachusetts*.

- Our priority focus is on Black, Hispanic and Latino men.

WHY: Prostate cancer, striking 1 in 8 American men, is the most common and the second most lethal male cancer.

- Black (including Hispanic) men are at higher risk of this disease, late diagnosis, poor quality care, and death.

(*This program serves individuals who were assigned male sex at birth)

**OUR PROGRAM CAN ADDRESS ANY QUESTIONS ABOUT YOUR PROSTATE HEALTH -
BEFORE AND AFTER SCREENING, BIOPSY AND TREATMENT**

FOR MORE INFORMATION:
